RESILIENCE – WISDOM FROM FLOWERS
according to the meanings given by The Mother

With our thanks to Aurovilian Sven for the use of his photos

FLOWER OF AUROVILLE - Beauty of Supramental Love
It invites us to learn to live at its height

There is only one thing to do: to proceed on one’s way keeping one’s own faith and certitude, and not bother about contradictions and denials.... One must find one’s own certitude within oneself, keep it in spite of everything and go one’s way whatever the cost, to the very end. The victory is for the most enduring....

THE MOTHER
NEW WORLD
We are witnessing the birth of a new world ... It is here making an effort to grow, absolutely sure of the result....It is a beginning, a universal beginning....

LIVING FOR THE DIVINE
We are united towards the same goal and for the same accomplishment – for a work unique and new... I hope that more and more of you will understand the exceptional importance of this work... Feel, wish, act that you may be new beings for the realisation of a new world

PROMISE
The future is full of promise

PROMISE OF REALISATION
There is another aspect of the Divine Grace, the aspect of a progress that will be victorious over all obstacles, the aspect that will propel humanity to a new realisation, that will open the doors of a new world and make it possible

THE FUTURE
A promise not yet realised

POWER OF THE FUTURE
To be capable of working for the future

POWER IN THE SERVICE OF THE FUTURE
Without haste but sure of its success
Light of Purified Power

ENDURANCE
Let endurance be your watchword ... nothing great is ever accomplished without endurance

VICTORIOUS ENDURANCE
It will endure till the end of the battle

INTEGRAL ENDURANCE
It will go on unfailingly till the end of its task

PERSERVERANCE
The decision to go to the very end
Progress

PROGRESS
This is why we are on earth

NEW CREATION
We are here ... to prepare the way for the new creation

REALISATION OF THE NEW CREATION (Realisation of Auroville)
It is for this that we must prepare

POWER OF COLLECTIVE ASPIRATION
A harmonious collective aspiration can change the course of circumstances

POWER OF SUCCESS (Success of Auroville)
The power of those who know how to continue their effort
HOPE
Paves life’s path

MIRACLE
At every moment all the unforeseen, the unexpected, the unknown is before us - and what happens to us depends mostly on the intensity and purity of our faith.

DIVINE GRACE
An absolute faith and trust in the Grace is, in the last analysis, the Supreme Wisdom

Realisation
